

“UNLIMITED” LICENSE REQUIREMENTS CHECK OFF LIST, Capt [name]

856-015-0035

Degrees of Licenses for the Columbia and Willamette River Pilotage Ground

(5) An Unlimited license authorizes the holder to pilot any vessels on the Columbia and Willamette River pilotage ground.

(6) To qualify for an Unlimited license an applicant must met the following requirements:

_____ (a) Hold an active Grade “A” license in good standing and complete at least 180 days service on the pilotage ground while holding a Grade “A” license;

Date of Grade “A” license issue: _____

_____ (b) Complete at least 30 transits on ships of between 300 and 800 feet L.O.A. during the 180 days preceding application for an unlimited license;

_____ (c) Train at least ten (10) additional days as directed by the training course monitor, with assignments chosen at the discretion of the training course monitor;

_____ (d) While holding a Grade “B” or Grade “A” license, complete at least ten (10) transits on ships greater than 800 feet L.O.A., or if directed by the training course monitor, on ships greater than 700 feet L.O.A. with drafts of 40 feet or greater. The transits completed under this section must be under the supervision of ten (10) different unlimited pilots, five (5) of whom have not less than five (5) years’ experience as unlimited state-licensed pilots;

_____ (e) Present recommendations from the training course monitor and from at least ten (10) unlimited pilots who participated in training, certifying that the applicant has sufficient knowledge and shiphandling skills to pilot vessels 800 feet L.O.A. or greater on the pilotage ground;

_____ (f) While holding a Grade “B” or Grade “A” license, complete at least twelve (12) transits on tankers (including at least nine (9) transits on loaded tankers), while under the supervision of at least six (6) different state-licensed pilots with not less than five (5) years’ experience as unlimited state-licensed pilots;

_____ (g) Present recommendations from the training course monitor and from at least six (6) pilots who participated in training on tankers, certifying that the applicant has sufficient knowledge and shiphandling skills to pilot tankers on the pilotage ground and understands the risks and hazards peculiar to piloting tankers on the pilotage ground;

_____ (h) While holding a Grade “B” or a Grade “A” license, complete at least twelve (12) transits on ships with drafts of 40 feet or greater while under the supervision of at least six (6) different state-licensed pilots with not less than five (5) years’ experience as unlimited state-licensed pilots;

_____ (i) While holding a Grade “B” or Grade “A” license, make at least four (4) trips under the supervision of unlimited state-licensed pilots while on the bridge of a ship 700 feet L.O.A. or greater, or if directed by the training course monitor, on the bridge of a ship 600 feet L.O.A. or greater with a draft of 40 feet or more, with such trips in each of the following directions:

(A) At least 3 trips from the Willamette River, turning east (upstream) into the Columbia River; and

(B) At least 1 trip from the Columbia River upstream of the mouth of the Willamette River, turning south (upstream) into the Willamette River;

_____ (j) Present recommendations from the training course monitor and from at least six (6) unlimited pilots who participated in training on vessels with drafts 40 feet or greater, certifying that the applicant has sufficient knowledge and shiphandling skills to pilot vessels with drafts 40 feet or greater;

_____ (k) Provide proof of completion of a United States Coast Guard approved course in automatic radar plotting aids (ARPA); and,

_____ (l) Submit a license fee as specified by 856-015-0045, which may be pro-rated, in order to synchronize the annual license renewal with the renewal of an Unlimited license.

(m) When the foregoing requirements are met, the Board shall issue an unlimited license to the applicant authorizing the applicant to pilot vessels of any length and draft, including tankers, on the pilotage ground.
